The City and County hereby agree to make all necessary appropriations within a reasonable time to reconcile the final appropriations of each entity.

C. *Operations.*

1. *Annual Work Plan.* The Executive Director, with the assistance of the Authority, shall annually prepare a detailed Annual Work Plan that specifies goals, tasks, responsible employees and timelines, for the operation of the Authority. Following the review of the Annual Work Plan by the Authority, the Executive Director shall meet with the City Manager and County Manager for approval. The Authority shall review the Annual

Work Plan as approved by the City Manager and County Manager and shall make recommendations to the City and County for its approval and adoption. The City agrees to negotiate in good faith with the County to provide construction management services for

County funded and sponsored affordable housing projects. Said agreements shall be on a case-by-case basis and shall include provisions for scope of services to be provided, reimbursement schedules, management responsibilities, and appropriate indemnification and insurance. A. The bonds, notes, and other obligations of the Authority shall not be the debts, liabilities, or obligations of the City or the County unless expressly assumed by the City or the County;

The terms, conditions, and details of said bonds, notes, and other obligations, the procedures related thereto, and the refunding thereof shall be set forth in the resolution authorizing said bonds, notes, or other obligations and shall, as nearly as may be practicable, be substantially the same as those provided by law for any of the contracting parties to this Intergovernmental Agreement; except that bonds, notes, or other obligations so issued shall not constitute an indebtedness of the Authority, the City or the County within the meaning of any constitutional, home rule charter or statutory limitation or other provision unless expressly assumed by the City or the County. Each bond, note, or other obligation issued under this subsection shall recite in substance that said bond, note, or other obligation, including the interest thereon, is payable solely from the revenues and other available funds of the Authority pledged for the payment thereof unless expressly assumed by the City or the County and that said bond, note, or other obligation does not constitute a debt of the Authority, the City or the County or within the meaning of any constitutional, home rule charter or statutory limitations or provisions unless expressly assumed by the City or the County. The bonds, notes and other obligations of the Authority and the income therefrom are exempt from taxation, except inheritance, estate, and transfer taxes pursuant to the Colorado Revised Statutes.

V. LEGAL ASSISTANCE:

Legal assistance for the Authority shall be provided both by the City and County Attorney's Office for specific problems related to Authority programs; subject, however, to the availability of staff time of the respective attorney offices. The Executive Director may retain independent counsel whenever the City or County Attorney's Offices are unable or unwilling to provide legal representation to the Authority. In addition, the Executive Director may retain independent legal counsel, as needed, for day-to-day consultation and legal advice. The City Attorney shall review all contract documents that purport to legally obligate the City in any fashion. The County Attorney shall review all contract documents that purport to legally obligate the County in any fashion.

VI. DISPOSITION OF ASSETS UPON TERMINATION:

In the event of the termination of this Intergovernmental Agreement which termination may only occur in accordance with the requirements and limitations of Section VII hereof, and the resulting dissolution of the Authority, the assets of the Authority shall be distributed as follows:

A. All assets acquired from contributions from the City or the County shall be returned to the contributing party if said assets are still in existence.

B. If assets contributed to the Authority are not in existence, the contributing party shall have the option of receiving the fair market value of the asset at the time of disposal by the Authority in either cash or assets of the Authority.

C. All remaining assets acquired by the Authority after the date of this Intergovernmental Agreement from funds provided by the parties shall be distributed to the parties on the basis of the appraised value of said assets at the time of termination and in the same proportion as the respective contributions of funds by the parties for acquisition of the asset.

D. The City and the County may agree to dispose of any assets of the Authority in any other acceptable manner.

E. If the City and the County cannot agree on the disposition of any assets of the Authority within sixty (60) days after termination, said assets shall be subject to an independent appraisal and shall be sold at public auction as soon as practicable with the proceeds allocated to the City and the County in the same proportion as the total contribution of funds by the respective parties for acquisition of the asset.

VII. ANNUAL RENEWAL AND TERMINATION:

The term of this Intergovernmental Agreement shall be from the effective date hereof through December 31, 2007, and shall automatically be renewed for successive one-year periods thereafter. Either party hereto may terminate this Intergovernmental Agreement for any reason upon ninety (90) days' written notice, provided, however, that this Intergovernmental Agreement may not be terminated or rescinded so long as the Authority has bonds, notes, or other obligations outstanding, unless provision for full payment of such obligations, by escrow or otherwise, has been made pursuant to the terms of such obligations; provided, however, that if full payment has been provided by escrow, such termination or rescission shall not occur unless nationally recognized bond counsel has delivered an opinion to the effect that such termination or rescission, in and of itself, will not adversely affect the tax status of the interest on such escrowed obligations. Furthermore, this Intergovernmental Agreement may not be terminated if the Authority has obligations to the U.S. Department of Housing and Urban Development under any Low Rent Public Housing Program, or other similar program, unless those obligations are assumed by the City or the County.
