ARTICLE 3

DIVISION OF PROJECT INTO CONDOMINIUM OWNERSHIP

Section 3.1 Division into Units. As of the recording of this Declaration, the Property is hereby divided into thirteen (13) Units which shall also be the maximum number of Units that can be created in the Project. Each Unit consists of a fee simple interest in an Individual Air Space Unit and an undivided fee simple interest in the Common Elements in accordance with the
respective undivided interests in the Common Elements. Such undivided interests in the
Common Elements are hereby declared to be appurtenant to the respective Units.

Section 3.2 Delineation of Unit Boundaries. The boundaries of each Individual Air
Space Unit are delineated and designated by an identifying number on the Map.

Section 3.3 Inseparability of Unit. No part of a Unit or of the legal rights comprising
ownership of a Unit may be partitioned or separated from any other part thereof during the
period of condominium ownership prescribed in this Declaration. Subject to Section 3.1 above,
each Unit shall always be conveyed, transferred, devised, bequeathed, encumbered and otherwise
affected only as a complete Unit. Every conveyance, transfer, gift, devise, bequest, encumbrance
or other disposition of a Unit or any part thereof shall be presumed to be a disposition of the
entire Unit, together with all appurtenant rights and interests created by law or by this
Declaration.

All rights with respect to the use, possession, enjoyment, management or disposition of a
Unit which an Owner might otherwise have as a tenant-in-common (including, but not limited to,
any common law or statutory right jointly to use, possess or manage commonly owned property)
are hereby unconditionally and irrevocably subordinated to this Declaration for so long as this
Declaration shall remain in effect; provided, however, that in the event that an election to
terminate this Declaration is made pursuant any provision of this Declaration, an Owner shall
have the rights specified in this Declaration and the Act.

Section 3.4 Nonpartitionability of Common Elements. Subject to the provisions of
this Article and Article 5 below, the Common Elements shall be owned in common by all of the
Owners and shall remain physically undivided; provided, however, the Limited Common
Elements shall be for the exclusive use of, enjoyment by and control by the Owners of Units to
which such Limited Common Elements are appurtenant. No Owner shall bring any action for
partition or division of the Common Elements. By acceptance of a deed or other instrument of
conveyance or assignment to a Unit, each Owner of the Unit shall be deemed to have specifically
waived such Owner’s right to institute or maintain a partition action or any other cause of action
designed to cause a division of the General Common Elements or any Limited Common
Elements, and this Section may be pleaded as a bar to the maintenance of such an action. Any
Owner who shall institute or maintain any such action shall be liable to the Association and
hereby agrees to reimburse the Association for the Association’s costs, expenses and reasonable
attorneys’ fees in defending any such action. Such amounts shall automatically become a default
Assessment determined and levied against such Owner’s Unit and enforced by the Association in
accordance with Article 8 below.

Notwithstanding the foregoing, the Association shall have the right to dedicate, sell or
otherwise transfer all or any part of the Common Elements to the fullest extent permitted under
the Act. The granting of easements by the Executive Board for public utilities, for access by
pedestrians or for other purposes not inconsistent with the intended use of the Common Elements
shall not be deemed a transfer requiring any consent of the Owners.
ARTICLE 4
CONDOMINIUM MAP

Section 4.1 Condominium Map. The Map shall be filed for record in the Office of the Clerk and Recorder of Pitkin County, Colorado. The Map shall be filed for record following substantial completion of the Building and prior to the conveyance of any Unit depicted on the Map to a purchaser. The Map shall show the location of the Building on the Property; the floor and elevation plans; the location of the Units within the Building, both horizontally and vertically; the thickness of the common walls, if any, between or separating the Units one from the other, or from Common Elements, as applicable; the Unit designations; designation of General Common Elements and Limited Common Elements; and such other information as Declarant may require in its discretion. The Map shall contain a certificate of a registered professional engineer or licensed architect or a licensed land surveyor certifying that the Map substantially depicts the location and the horizontal and vertical measurements of the Building and the Units, the dimensions of the Units, and the elevations of the unfinished floors and ceilings as constructed, and certifying that such Map is prepared subsequent to the substantial completion of the improvements. Each supplement or amendment shall set forth a like certificate when appropriate. The Map shall further contain such other information, certifications and depictions as may be required under Section 38-33.3-209 of the Act.

Section 4.2 Amendment. Declarant reserves the right to amend or supplement the Map, from time to time, to the fullest extent permitted under the Act or as permitted by this Declaration.

ARTICLE 5
OWNERS' PROPERTY RIGHTS IN COMMON ELEMENTS

Section 5.1 General Common Elements. Every Owner and the family members, guests, tenants and licensees of each Owner shall have a perpetual right and easement of access over, across and upon the General Common Elements for the purpose of entering and exiting such Owner’s Unit and the public ways for both pedestrian and vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Unit; provided, however, that such right and easement shall be subject to the following:

5.1.1 The covenants, conditions, restrictions, easements, reservations, rights-of-way and other provisions contained in this Declaration, the Master Declaration and the Condominium Map;

5.1.2 The right of the Association to regulate on an equitable basis the use of parking spaces and storage spaces, if any, which are General Common Elements or Limited Common Elements from time to time;

5.1.3 The right of the Association to adopt, from time to time, rules and regulations concerning vehicular traffic and travel upon, in, under and across the Project; and

5.1.4 The right of the Association to adopt, from time to time, any and all rules and regulations concerning the Common Elements as the Association may determine are necessary or prudent, subject to the terms of Section 7.7 and Article 13 hereof.
Notwithstanding the foregoing, the Association shall take no action that unreasonably restricts any Owner’s or such Owner’s family members’, guests’, tenants’ and licensees’ right and easement of access over, across and upon the General Common Elements to such Owner’s Unit(s).

Section 5.2 Limited Common Elements.

5.2.1 Subject to the provisions of this Declaration, every Owner shall have the exclusive right to use and enjoy the Limited Common Elements appurtenant to his Unit. The Map shall specify to which Unit or Units each Limited Common Element is allocated.

5.2.2 Storage spaces, if any, may be designated on the Map as Limited Common Elements appurtenant to the Units and reserved for the exclusive use of the Owners and the tenants, guests, lessees, licensees, permittees and invitees of the Owners of the Units; provided, however, any such designation shall not be construed as granting any Owner of a Unit the ownership of such storage spaces. The Executive Board shall designate as General Common Elements and subject to regulation all remaining storage spaces.

5.2.3 Any redesignation of the boundaries of the General Common Elements or of the General Common Elements to Limited Common Elements shall be approved by the Executive Board. Declarant hereby reserves the right and grants to the Association the right to reassign Limited Common Elements to the fullest extent permitted under the Act. Any modification to the Common Elements and/or the Units shall not impair the life safety systems of the Project.

Section 5.3 Parking.

5.3.1 Association Regulation. The Owners acknowledge that the Association will own a portion of the Parking Facility consisting of twenty-six (26) parking spaces. The Association may acquire additional parking spaces, if available, upon the approval of a majority of the Executive Board. The expenses of the acquisition of any additional parking spaces shall be allocated as a special Assessment to the Owners entitled to use such parking spaces.

The Association will have full right, power, and authority to regulate such parking on an equitable basis as determined by the Executive Board including, without limitation, the right to assign exclusive parking spaces to certain Units, the right to reassign parking spaces between or among certain Units based on handicap accessible parking space or other need, and the right to adopt rules and regulations governing the use and maintenance of such parking consistent with the Parking Documents.

THE OWNERS ACKNOWLEDGE THAT AT THE TIME THAT THE DECLARATION IS RECORDED, THE PROPERTY UPON WHICH THE PARKING SPACES FOR THE OWNERS’ USE MAY NOT YET BE SUBMITTED TO THE PARKING DECLARATION AND THEREFORE NOT SUBDIVIDED INTO SEPARATE PARKING SPACE UNITS THAT MAY BE OWNED BY THE ASSOCIATION. DECLARANT OWNS SUCH PARKING SPACES AND WILL PROVIDE FOR THE USE THEREOF BY THE ASSOCIATION, BY EASEMENT OR OTHERWISE, PRIOR TO THE CONVEYANCE OF
THE PARKING SPACES TO THE ASSOCIATION, SUBJECT TO REASONABLE PROVISIONS FOR PAYMENT OF EXPENSES OF THEIR USE, MAINTENANCE AND OWNERSHIP.

5.3.2 Parking Documents. The Parking Documents govern the ownership, use and maintenance of the Parking Facility. Each Owner acknowledges that, upon conveyance of the parking spaces to the Association, the Association will be a member of the Parking Association and the Executive Board will determine all voting with respect to measures arising under the Parking Documents. Owners will have no direct ownership interest in the Parking Facility nor will they exercise any vote in matters of the Parking Association.

ARTICLE 6
MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 6.1 Association Membership. Every Owner shall be a member of the Association and shall remain a member for the period of the Owner’s ownership of a Unit. No Owner, whether one or more persons, shall have more than one membership per Unit owned, but all of the persons owning a Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Unit. If title to a Unit is held by more than one person, such Owners shall designate one person as their representative and appoint such person as their proxy, as more fully described in this Declaration and the bylaws of the Association or as otherwise required by applicable law. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Unit.

Section 6.2 Membership. There shall be one (1) category of membership in the Association consisting of all Owners.

Section 6.3 Voting Rights. Each Unit shall be allocated a vote for the purpose of matters relating to the Common Elements or the Project as a whole equivalent to the Allocated Interest of such Unit as provided on Exhibit B attached hereto and incorporated herein by reference. The Association shall not have a vote with respect to any Unit that may be owned by it. Declarant shall be entitled to vote with respect to Units owned by it. Members of the Association may exercise such voting rights subject to and in accordance with the provisions below and those of the bylaws of the Association.

Section 6.4 Executive Board. The Executive Board shall consist of no less than three (3) and no more than five (5) persons, as provided in the bylaws of the Association. The Directors shall be elected as provided in the bylaws of the Association.

Section 6.5 Declarant Control. Declarant shall be entitled to appoint and remove the members of the Executive Board and officers of the Association to the extent permitted in the bylaws of the Association and in compliance with the Act. The specific restrictions and procedures governing the exercise of Declarant’s right to so appoint and remove Directors and officers shall be set out in the bylaws of the Association. Declarant may voluntarily relinquish such power evidenced by a notice recorded in the Office of the Clerk and Recorder for Pitkin
County, Colorado. In such event, Declarant may, at its option, require that specified actions of the Association or the Executive Board as described in the recorded notice, during the period Declarant would otherwise be entitled to appoint and remove Directors and officers, be approved by Declarant before they become effective.

Section 6.6 Owner’s and Association’s Address for Notices. All Owners of each Unit shall have one and the same mailing address to be registered with the Association and used by the Association or other Owners for notices, demands and all other communications regarding Association matters. The Owner or Owners of a Unit shall furnish such address to the Secretary of the Association within five (5) days after transfer of title to the Unit to such Owner or Owners. Such registration shall be in written form and signed by all of the Owners of the Unit or by such persons as are authorized by law to represent the interests of all Owners of the Unit. Notwithstanding the foregoing, the Association shall be entitled to rely upon any such registration or other notice of a change in address of the Owners of the Unit which is signed by less than all of the Owners of such Unit.

If no address is registered or if all of the Owners cannot agree, then the address set forth in the deed to the Unit shall be deemed their registered address until another registered address is furnished as required under this Section.

Any notice delivered to a First Mortgagee in accordance with the terms of this Declaration shall be sent to the address for such party specified in the First Mortgage unless the First Mortgagee notifies the Association in writing of a different address.

All notices and demands intended to be served upon the Executive Board shall be sent to the following address or such other address as the Executive Board may designate from time to time by notice to all of the Owners:

Executive Board
Wille Residences Condominium Association
Hines Highlands Limited Partnership
426 East Main Street
Aspen, Colorado 81611

All notices given in accordance with this Section shall be sent: (a) by personal delivery, which shall be effective upon receipt; (b) by overnight courier service, which shall be effective one (1) business day following timely deposit with the courier service; or (c) regular, registered or certified mail, postage prepaid, which shall be effective three (3) days after deposit in the U.S. mail.

Unless otherwise provided in writing by the Association or the Managing Agent, all bills for common utility services shall be sent to the Executive Board at the address designated in this Section.
ARTICLE 7
ASSOCIATION DUTIES

Section 7.1 Association Management Duties. Subject to the rights and obligations of Declarant and other Owners as set forth in this Declaration, the Association through the Executive Board shall be responsible for the administration and operation of the Project, for the exclusive management, control, maintenance, repair, replacement and improvement of the Common Elements (including facilities, furnishings and equipment related thereto), and shall keep the same in good, clean, attractive and sanitary condition, order and repair. The expenses, costs and fees of such management, operation, maintenance and repair by the Association shall be part of the Assessments, and, subject to the budget approval procedures of Section 8.5 below, prior approval of the Owners shall not be required in order for the Association to pay any such expenses, costs and fees. The Executive Board, with the approval of the Owners representing a majority of the total votes entitled to be cast on Association matters at a meeting of the Owners called for that purpose, shall have the authority to lease or license any Common Elements to others for all purposes permitted in this Declaration and by applicable law; provided, however, that any such lease or license shall require the lessee or licensee to pay all costs and expenses, including costs of maintenance, repair and replacement, resulting from its use of such Common Elements.

Section 7.2 Reserve Account. The Association shall establish and maintain, as part of its budget and out of the installments of the annual Assessments, adequate reserve accounts for maintenance, repair or replacement of those Common Elements that must be replaced on a periodic basis (collectively, the “Reserve Account”).

Section 7.3 Owner’s Negligence. Subject to the terms of Section 9.4 hereof, in the event that the need for maintenance, repair or replacement of all or any portion of the Common Elements is due to the grossly negligent, reckless or willful act or omission of an Owner, any member of an Owner’s family, or an Owner’s guests, invitees or tenants, then the expenses incurred by the Association for such maintenance, repair or replacement shall be a personal obligation of such Owner. To the extent that the area in need of maintenance, repair or replacement is due to the negligent act or omission of an Owner, any member of an Owner’s family, or an Owner’s guests, invitees or tenants, then such Owner shall be liable to the Association for the amount of any applicable insurance deductible(s) and for any amounts in excess of insurance proceeds; provided, however, if such area is not covered by insurance the expenses incurred by the Association for such maintenance, repair or replacement shall be a personal obligation of such Owner. If the Owner fails to repay any applicable expenses incurred by the Association within seven (7) days after notice to the Owner of the amount owed, then the failure to so repay shall be a default by the Owner under the provisions of this Section, and such expenses shall automatically become a default Assessment determined and levied against such Owner’s Unit, enforceable by the Association in accordance with Article 8 below.

Section 7.4 Delegation of Management and Maintenance Duties. The Executive Board may delegate all or any part of its powers and duties to one or more Managing Agents, including Declarant or affiliates of Declarant or either of them. Notwithstanding the delegation by the Executive Board to a Managing Agent, the Executive Board shall not be relieved of its responsibilities under this Declaration.
Section 7.5 Acquiring and Disposing of Personal Property. The Association may acquire, own and hold for the use and benefit of all Owners tangible and intangible personal property, including without limitation, membership rights, services and benefits for the use, enjoyment security, comfort and convenience of Owners and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same undivided proportion as their respective undivided interests in the Common Elements. Such interests shall not be transferable except with the transfer of a Unit. A conveyance of a Unit shall transfer ownership of the transferor's beneficial interest in such personal property without any reference thereto. Each Owner may use such personal property in accordance with the purposes for which it is intended and subject to the reasonable rules and regulations for such use established by the Executive Board, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the interest in such personal property associated with the foreclosed Unit.

Section 7.6 Cooperation with District, Master Association and Other Associations. The Association may contract or cooperate with the District, the Master Association or with other homeowners' associations or entities within Aspen Highlands Village or elsewhere as convenient or necessary to provide services and privileges and to fairly allocate costs among the parties utilizing such services and privileges which may be administered by the Association or such other organizations, for the benefit of Owners and their family members, guests, tenants and invitees. The costs associated with such efforts by the Association (to the extent not chargeable to other organizations) shall be a Common Expense.

Section 7.7 Issuance of Rules and Regulations. The Executive Board may, by a majority of the voting Directors, make and amend reasonable rules and regulations governing the use and rental of the Units and the use and operation of the Common Elements. Notwithstanding the foregoing, any such rules and regulations shall not be inconsistent with the terms of this Declaration, including, but not limited to Article 13. In addition, such rules and regulations shall be reasonable and equitably applied. After the adoption of the initial rules and regulations, which may be approved by the Executive Board with the consent of the Declarant prior to the conveyance of the first Unit in the Project, the Executive Board shall provide thirty (30) days written notice prior to the adoption or amendment of any rules and regulations and provide for a reasonable opportunity for Owners to comment at a meeting of the Executive Board on the proposed adoption or amendment of any rules and regulations.

Section 7.8 Identity of Executive Board and Managing Agent. From time to time, but no less than annually, the Association shall mail to each Owner a notice containing the names and addresses of the members of the Executive Board and the Managing Agent(s), if any.

Section 7.9 Implied Rights. The Association may exercise any and all other rights or privileges given to it by this Declaration, or by the other Association Documents, or as may otherwise be given to it by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association in the Association Documents or reasonably necessary to effectuate any such right or privilege.

Section 7.10 Books and Records of the Association. The Executive Board, directly or through its Managing Agent(s), as the case may be, shall keep detailed, accurate records of the
receipts and expenditures affecting the Common Elements and shall maintain such other books and records as may be required under the Act. Owners and Mortgagees may inspect the records of receipts and expenditures of the Managing Agent(s) or the Executive Board at convenient weekday business hours. In addition, the other books, records and papers of the Association, including this Declaration, the articles of incorporation and the bylaws of the Association, as well as any Management Agreement and any rules and regulations of the Association, shall be available for inspection by any Owner or Mortgagee at all times during convenient weekday business hours. Unless a shorter time is required by law, inspection shall require three (3) days advance, written notice.

Section 7.11 LIMITATION OF LIABILITY OF ASSOCIATION. NOTWITHSTANDING THE DUTY OF THE ASSOCIATION TO MAINTAIN AND REPAIR THE COMMON ELEMENTS, AND EXCEPT TO THE EXTENT COVERED BY ASSOCIATION INSURANCE AS DESCRIBED IN ARTICLE 10, THE ASSOCIATION SHALL NOT BE LIABLE TO OWNERS FOR INJURY OR DAMAGE, OTHER THAN FOR THE COST OF MAINTENANCE AND REPAIR, CAUSED BY ANY LATENT CONDITION OF THE COMMON ELEMENTS TO BE MAINTAINED AND REPAIRED BY THE ASSOCIATION OR CAUSED BY THE ELEMENTS OR OTHER OWNERS OR PERSONS.

ARTICLE 8
ASSESSMENTS

Section 8.1 Covenant of Personal Obligation of Assessments. Declarant, by creating the Units pursuant to this Declaration, and every other Owner, by acceptance of the deed or other instrument of transfer of his Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), is deemed to personally covenant and agree with the Association, and hereby does so covenant and agree to pay to the Association, the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Owner’s Unit. No Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing his Unit. Pursuant to the Master Association Documents, the Association is empowered and authorized, and upon the request of the Master Association shall be required, to levy and collect from Owners of Units within the Association the assessments owing to the Master Association as part of the Association’s own assessment procedures and to promptly remit such assessments collected by the Association to the Master Association. The Association is responsible for paying assessments levied by the Parking Association with respect to any and all parking units in the Parking Facility and all such assessments shall be considered Common Expenses of the Association and assessed by the Association against the Owners as part of its Assessments (provided, however, that assessments of the Parking Association shall be allocated only to Owners of Units to whom parking rights are allocated).

Section 8.2 Purpose of Assessments. The Assessments levied by the Association shall be used for the purpose of promoting the health, safety, convenience and general welfare of the Owners, including the improvement and maintenance of the Property and of the services and facilities located on the Property. Proper uses of the Assessments shall include, but are not limited to, the following:
8.2.1 Repairing, replacing, renovating, rebuilding, improving and maintaining any of the Common Elements not made the responsibility of the Owners by Section 7.3 above, Section 9.2 below, or other provisions of this Declaration;

8.2.2 Installing, maintaining and repairing underground utilities upon, across, over and under any part of the Project which are not conveyed to and accepted by utility companies;

8.2.3 Furnishing garbage and trash pickup and water and sewer services to the Project;

8.2.4 Paying management and professional fees;

8.2.5 Obtaining and maintaining insurance in accordance with the provisions of Article 10 below;

8.2.6 Establishing and maintaining reserves for repairs, replacement, maintenance, taxes, capital improvements and other purposes;

8.2.7 Carrying out all other powers, rights and duties of the Association specified in the Association Documents; and

8.2.8 Generally, addressing any other expenses necessary to meet the purposes of the Association.

Section 8.3 Amount of Total Annual Assessments. The total annual Assessments against all Units shall be based upon the Association’s advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such fiscal year, as approved by the Owners pursuant to Section 8.5 below, which estimates may include, among other things, the costs associated with the items enumerated in Section 8.2 above, together with any other costs and fees which may reasonably be expected to be incurred by the Association for the benefit of the Owners under or by reason of the Association Documents. In the event of surplus funds remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves, the Executive Board may within its discretion apply to or for the benefit of Owners the surplus funds (a) into reserves, (b) toward the following year’s Common Expenses, (c) toward a credit to Owners against future assessments, (d) as a refund to Owners or (e) any combination of the foregoing.

Section 8.4 Apportionment of Annual Assessments. The total annual Assessment for any fiscal year of the Association shall be assessed to the Units in proportion to the respective undivided interests in the Common Elements appurtenant to the Units, as shown on Exhibit B, subject to the following provisions. To the extent any Common Expense relating to the General Common Elements disproportionately benefits any Owner or group of Owners, the Executive Board may, by a majority of the voting Directors, adjust the assessment for such Common Expense in such proportion as may be appropriate. The Executive Board, with the assistance of any company providing insurance for the benefit of the Owners under Article 10, may reasonably adjust the allocation to each Owner of the cost of premiums for any insurance carried for, and to be charged to, a particular Owner, as more fully detailed in Article 10. The total
annual Assessments of the Association shall be apportioned among all Units as provided in this Section.

Section 8.5 Annual Budget. Within thirty (30) days after the adoption of any proposed budget for the Association, the Executive Board shall mail, by ordinary first-class mail or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting sixty percent (60%) or more of all Owners reject the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board. The Executive Board shall adopt a budget and submit the budget to the Owners as provided herein no less frequently than annually. The Executive Board shall levy and assess the Association's annual Assessments in accordance with the annual budget.

Section 8.6 Special Assessments. In addition to the annual Assessments authorized above, the Executive Board may at any time and from time to time determine, levy, assess and collect in any fiscal year (without the vote of the members of the Association, except as provided in the Act and in this Section below) a special Assessment applicable to that particular fiscal year (and for any such longer period as the Executive Board may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Project or of any facilities located on the Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Condominium Units in proportion to the respective undivided interests in the Common Elements appurtenant to the Units as shown on Exhibit B; provided, however, that any extraordinary insurance costs incurred as a result of the value of a particular Owner's Unit or the actions of a particular Owner (or his agents, servants, guests, tenants or invitees) shall be borne by that Owner. Special Assessments shall be based on a budget adopted in accordance with Section 8.5 provided that, if necessary, the Association may adopt a new budget pursuant to Section 8.5 prior to levying a special Assessment. Such special Assessment(s) shall be due and payable as determined by the Executive Board.

Section 8.7 Due Dates for Assessment Payments. Unless otherwise determined by the Executive Board, the annual Assessments and any special Assessments which are to be paid in installments shall be paid periodically in advance (no less frequently than annually and no more frequently than monthly) and shall be due and payable to the Association at its office or as the Executive Board may otherwise direct in any Management Agreement, without notice (except for the notices required by this Article 8), on the first day of each payment period. If any such installment shall not be paid within fifteen (15) days after it shall have become due and payable, then the Executive Board may declare such assessment due in full and may assess a "late charge" on the installment in an amount of fifteen percent (15%) of the amount outstanding or such other charge, which does not exceed any limitations established by applicable law, as the Executive Board may fix by rule from time to time as provided in the bylaws of the Association to cover the extra expenses involved in handling such delinquent Assessment installment.
Section 8.8 Declarant's Obligation to Pay Assessments. Declarant shall be obligated to pay the annual, special, and default Assessments (including installments thereof) on each Unit owned by it.

Section 8.9 Default Assessments. All monetary fines or other charges imposed or assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner pursuant to the Association Documents, shall become liens against such Owner's Unit which may be foreclosed or otherwise collected as provided in this Declaration. Notice of the amount and due date of such default Assessment shall be sent to the Owner subject to the Assessment at least thirty (30) days prior to the due date.

Section 8.10 Lien for Assessments. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of this Declaration (together with any and all interest, costs, late charges, expenses and reasonable attorneys' fees, including legal assistants' fees, which may arise under the provisions of Section 8.12 below) shall be burdens running with, and a perpetual lien in favor of the Association upon, the specific Unit to which such Assessments apply. To further evidence such lien upon a specific Unit, the Association may, but shall not be obligated to, prepare a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the bylaws of the Association and Section 8.12 below, the name of the Owner or Owners of the Unit, and any and all other information that the Association may deem proper. Any such lien notice shall be signed by a member of the Executive Board, an officer of the Association, or a Managing Agent and shall be recorded in the Office of the Clerk and Recorder of Pitkin County, Colorado. Any such lien notice shall not constitute a condition precedent to or delay the attachment of the lien, but such lien is a perpetual lien upon the Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied.

Section 8.11 Effect of Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (i) interest shall accrue at the Maximum Rate on any amount of the Assessment which was not paid within such 30-day period or on the amount of Assessment in default, whichever shall be applicable, accruing from the due date until date of payment; (ii) the Association may declare due and payable all unpaid installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, as well as any default Assessments; (iii) the Association may thereafter bring an action at law or in equity, or both, against any Owner personally obligated to pay the same; and (iv) the Association may proceed to foreclose its lien against the particular Unit in the manner and form provided by Colorado law for foreclosure of real estate mortgages.

An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. If any such Assessment (or installment thereof) is not fully paid when due and if the Association commences such an action (or counterclaims or cross-claims for such relief in any action) against any Owner personally obligated to pay the same, or proceeds to foreclose its
lien against the particular Unit, then all unpaid installments of annual and special Assessments, all personal Assessments and all default Assessments (including any such installments or Assessments arising during the proceedings of such action or foreclosure proceedings), any late charges under Section 8.7 above, any accrued interest under this Section 8.12, the Association's costs, expenses and reasonable attorneys' fees (including legal assistants' fees) incurred for any such action and/or foreclosure proceedings shall be taxed by the court as part of the costs of any such action or foreclosure proceedings and shall be recoverable by the Association from any Owner personally obligated to pay the same and from the proceeds from the foreclosure sale of the particular Unit in satisfaction of the Association's lien.

Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid in or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease or mortgage the Unit, and to convey or otherwise deal with the Unit acquired in such proceedings.

First Mortgagees shall be entitled to cure any delinquency of the Owner of a Unit encumbered by the First Mortgagee in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 8.12 Successor's Liability for Assessments. Notwithstanding the personal obligation of each Owner of a Unit to pay all Assessments on the Unit, and notwithstanding the Association's perpetual lien upon a Unit for such Assessments, all successors in interest to the fee simple title of a Unit, except as provided in Section 8.14 and Section 8.15 below, shall be jointly and severally liable with the prior Owner or Owners of the Unit for any and all unpaid Assessments, interest, late charges, costs, expenses and attorneys' fees against such Unit, without prejudice to any such successor's right to recover from any prior Owner any amounts paid thereon by such successor. However, such successor in interest shall be entitled to rely upon the existence and status of unpaid Assessments, interest, late charges, costs, expenses and attorneys' fees as shown upon any certificate issued by or on behalf of the Association to such named successor in interest pursuant to the provisions of Section 8.15 below.

Section 8.13 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Unit, each Owner irrevocably subordinates the homestead exemption provided by Part 2, Article 4J, Title 38, Colorado Revised Statutes, as amended, to the Association's perpetual lien for collection of assessments. The Association's perpetual lien on a Unit for Assessments shall be superior to all other liens and encumbrances except the following:

8.13.1 Real property ad valorem taxes and special assessment liens duly imposed by a Colorado governmental or political subdivision or special taxing district, or any other liens made superior by statute;

8.13.2 Any lien created by the Master Declaration; and
8.13.3 To the extent permitted under the Act, the lien of any First Mortgage, including any and all advances made by the First Mortgagee and notwithstanding that any of such advances may have been made subsequent to the date of the attachment of the Association’s liens.

With respect to the foregoing subpart 8.14.3, to the extent permitted under the Act, any First Mortgagee who acquires title to a Unit by virtue of foreclosing the First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Unit free of any claims for unpaid Association Assessments, interest, late charges, costs, expenses and attorneys’ fees against the Unit which accrue prior to the time such First Mortgagee or purchaser acquires title to the Unit, and the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense at the direction of the Executive Board.

All other persons not holding liens described in this Section 8.13 above and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association’s future liens for Assessments, interest, late charges, costs, expenses and attorneys’ fees, as provided in this Article 8, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

A sale or other transfer of any Unit, including but not limited to a foreclosure sale, except as provided in Section 8.11 above and except as provided in Section 8.15 below, shall not affect the Association’s lien on such Unit for Assessments, interest, late charges, costs, expenses and attorneys’ fees due and owing prior to the time such purchaser acquires title and shall not affect the personal liability of each Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the purchaser or transferee of a Unit from liability for, or the Unit from the lien of, any Assessments made after the sale or transfer.

Section 8.14 Statement of Status of Assessments. Upon fourteen (14) calendar days written request (furnished in the manner described below for the response to such request) to a Managing Agent, the Executive Board or the Association’s registered agent and payment of a reasonable fee set from time to time by the Executive Board, any Owner, prospective purchaser of a Unit, or Mortgagee shall be furnished, by personal delivery or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party (in which event the date of posting shall be deemed the date of delivery) a statement of the Owner’s account setting forth:

8.14.1 The amount of any unpaid Assessments, interest, late charges, costs, expenses and attorneys’ fees then existing against a particular Unit;

8.14.2 The amount of the current installments of the annual Assessment and the date that the next installment is due and payable;

8.14.3 The date of the payment of any installments of any special Assessments then existing against the Unit; and
8.14.4 Any other information deemed proper by the Association.

Upon the issuance of such a certificate signed by a member of the Executive Board, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith. Unless such a statement of status of Assessments is delivered as described above within said fourteen (14) calendar day period, the Association shall have no right to assert a priority lien upon the Unit over the inquiring party’s interest for unpaid Assessments which were due as of the date of the request.

Section 8.15 Liens. Except for annual, special, and default Assessment liens as provided in this Declaration, mechanics’ liens (except as provided in Article 12 below), tax liens and judgment liens and other liens validly arising by operation of law and liens arising under Mortgages, there shall be no other liens obtainable against the Common Elements or against the interest of any Unit in the Common Elements.

ARTICLE 9
MAINTENANCE RESPONSIBILITY

Section 9.1 Owner’s Rights and Duties with Respect to Interiors. Except as may be provided in the purchase and sale agreement or other conveyancing documents executed by Declarant in connection with sales or leases to initial purchasers of the Units, each Owner shall have the exclusive right and duty to paint, tile, wall paper or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings and doors forming the boundaries of such Owner’s Individual Air Space Unit and all walls, floors, ceilings and doors within such boundaries.

Section 9.2 Responsibility of the Owner. The Owner at the Owner’s expense shall maintain and keep in repair the interior of the Unit, including the fixtures and utilities located in the Unit to the extent current repair shall be necessary in order to avoid damaging other Units or the Common Elements. All fixtures, equipment and utilities installed and included in an Individual Air Space Unit serving only that Unit, commencing at a point where the fixtures, equipment and utilities enter the Individual Air Space Unit, shall be maintained and kept in repair by the Owner of that Unit. An Owner shall also maintain and keep in repair all windows and other glass items related to such Owner’s Unit and any entry door or doors serving such Unit. An Owner shall not allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation or plumbing systems or integrity of the Building, or impair any easement or hereditament. Except as otherwise set forth in Section 13.5, no Owner shall alter any Common Elements without the prior written consent of the Association.

Section 9.3 Responsibility of the Association. The Association, without the requirement of approval of the Owners but subject to Section 8.5 above, shall maintain and keep in good repair, replace and improve, as a Common Expense, the Common Elements and all portions of the Project not required in this Declaration to be maintained and kept in good repair by an Owner or Declarant.
Section 9.4 Owner’s Failure to Maintain or Repair. In the event that portions of a Unit or other improvements are not properly maintained and repaired, and if the maintenance responsibility for the unmaintained improvement lies with the Owner of the Unit, or in the event that such improvements are damaged or destroyed by an event of casualty and the Owner does not take reasonable measures to diligently pursue the repair and reconstruction of the damaged or destroyed improvements to substantially the same condition in which they existed prior to the damage or destruction, then the Association, after written notice to the Owner and the expiration of a thirty (30) day cure period, and with the approval of the Executive Board, shall have the right to enter upon the Unit to perform such work as is reasonably required to restore the Unit and other improvements to a condition of good order and repair; provided, however, if such repair and reconstruction due to an event of casualty cannot be reasonably performed within such thirty (30) day cure period, the Owner shall have such time as reasonably required to perform such repair and reconstruction so long as the work has been commenced within such cure period and is diligently pursued to completion. All costs incurred by the Association in connection with the restoration shall be a default Assessment and shall be reimbursed to the Association by the Owner of the Unit, upon demand. All unreimbursed costs shall be a lien upon the Unit until reimbursement is made. The lien may be enforced in the same manner as a lien for an unpaid Assessment levied in accordance with Article 8 of this Declaration. In the event of an emergency which threatens imminent bodily harm or property damage the Association shall have the right to give such shorter notice as may be reasonable under the circumstances and to undertake repairs if not undertaken by such Owner.

Section 9.5 Owner’s Responsibility for Limited Common Elements. The Owner of each Unit is solely responsible for all expenses of maintenance, repair and replacement of Limited Common Elements appurtenant to such Owner’s Unit.

ARTICLE 10
INSURANCE AND FIDELITY BONDS

Section 10.1 General Insurance Provisions. The Association shall maintain, to the extent reasonably available:

10.1.1 Property insurance on the Common Elements and, to the extent required by law, the Units for fire and other broad form covered causes of loss; except that the total amount of insurance must be not less than the full insurable replacement costs of the insured property less applicable deductibles at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, paving areas, landscaping, personal property and other items normally excluded from property policies. In all insurance policies obtained hereunder, the Association shall be named as a co-insured as agent for each of the Owners.

10.1.2 Commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements and the Association, in an amount determined by the Association, but not less than One Million Dollars ($1,000,000.00) per occurrence for bodily injury or property damage, and if higher limits shall at any time be customary to protect against tort liability such higher limits shall be carried. Declarant shall be included as an additional insured in Declarant’s capacity as an Owner and Executive Board member. The Owners (as a class) shall be included as additional
insureds but only for claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements. The insurance shall cover claims of one or more insured parties against other insured parties.

10.1.3 The Association may carry such other insurance that the Executive Board considers appropriate, including insurance on Units that the Association is not obligated to insure, to protect the Association or the Owners.

Section 10.2 Cancellation. If the insurance described in Section 10.1 above is not reasonably available, or if any policy of such insurance is cancelled or not renewed without a replacement policy therefor having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners.

Section 10.3 Policy Provisions. To the extent reasonably obtainable, insurance policies carried pursuant to Section 10.1 above must provide that:

10.3.1 Each Owner is an additional insured under the commercial general liability insurance required in Section 10.1.2, with respect to liability arising out of such Owner’s interest in the Common Elements or membership in the Association;

10.3.2 The insurer waives its rights of subrogation under the policy against any Owner, member of his household, guest or invitee to the extent of the coverage obligation in Section 10.3.1;

10.3.3 No act or omission by an Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or operate as a condition to recovery by any other person under such policy; and

10.3.4 If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association’s policy provides primary insurance to the extent of the coverage obligation in Section 10.3.1.

Section 10.4 Insurance Proceeds. Any loss covered by the property insurance policy described in Section 10.1 above must be adjusted with the Association or the Managing Agent acting on behalf of the Association, but the insurance proceeds for a loss shall be payable to any insurance trustee, including but not limited to the Managing Agent, designated for that purpose by the Executive Board or to the Association as directed by the Executive Board, and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 10.7 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.

Section 10.5 Association Policies. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles and any other matters of claims adjustment. To the extent the Association settles
claims for damages to the Property or the Common Elements, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all or any equitable portion of the deductibles paid by the Association.

Section 10.6 Insurer Obligation. Certificates of Insurance shall be furnished to the Association and, upon written request, to any Owner or Mortgagee, evidencing that all insurance required hereunder is in full force and effect and shall provide 30 days advance written notice to the Association of any cancellation, non-renewal or reduction in coverage.

Section 10.7 Repair and Replacement.

10.7.1 Any portion of the Common Elements for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

10.7.1.1 The regime created by this Declaration is terminated;

10.7.1.2 Repair or replacement would be illegal under any state or local statute or ordinance;

10.7.1.3 Sixty-seven percent (67%) of the Allocated Interests of the Association and all directly, adversely affected Owners agree in writing not to rebuild; or

10.7.1.4 Prior to the conveyance of any Unit to a person other than Declarant, the Mortgagee holding a Mortgage on the damaged portion of the Common Elements rightfully demands all or a substantial part of the insurance proceeds.

10.7.2 The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense. If all damaged Common Elements are not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the remaining insurance proceeds must then be distributed to all the Owners or Mortgagees, as their interests may appear, in proportion to their respective Allocated Interests.

Section 10.8 Common Expenses. Premiums for insurance that the Association acquires and other expenses connected with acquiring such insurance are Common Expenses.

Section 10.9 Fidelity Insurance. Fidelity bonds shall be maintained by the Association to protect against dishonest acts on the part of its officers, directors and employees and on the part of all others who handle or are responsible for handling the funds belonging to or administered by the Association, including the Managing Agent, in an amount not less than the greater of (i) two (2) months’ current Assessments plus reserves as calculated from the current budget of the Association, or (ii) the maximum amount of funds of the Association over which the principals under the bond or policy may reasonably be expected to have control or access at any time. The Association must also secure and maintain, or require to be secured or maintained by any parties handling the collection, deposit, transfer or disbursement of Association funds, fidelity insurance with aggregate coverage of not less than two (2) months’ assessments plus
reserves, as calculated from the current budget of the Association; provided, however, in no event shall the coverage for third parties handling the collection, deposit, transfer or disbursement of Association funds be less than $50,000. In addition all funds and accounts of the Association being held by a Managing Agent or other third persons shall be kept in an account separate from the funds of other parties held by such Managing Agent or third party, and all reserves of the Association shall be kept in an account separate from the operational account of the Association. Any such fidelity coverage shall name the Association as an obligee and such bonds shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of “employees,” or similar terms or expressions.

Section 10.10 Worker’s Compensation Insurance. If the Association has employees, the Association shall obtain worker’s compensation or similar insurance with respect to its employees in the amounts and forms as may now or hereafter be required by law.

Section 10.11 Other Insurance. The Association shall also maintain insurance to the extent reasonably available and in such amounts as the Executive Board may deem appropriate on behalf of Directors and officers against any liability asserted against a Director or officer or incurred by him in his capacity of or arising out of his status as a Director or officer. The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to its responsibilities and duties.

Section 10.12 Insurance Obtained by Owners. It shall be the responsibility of each Owner, at such Owner’s expense, to maintain (i) physical damage insurance on the interior, finished surfaces of walls, floors and ceilings of such Owner’s Unit, such Owner’s personal property, furnishings, appliances and equipment and (ii) commercial general liability insurance in a limit of not less than Five Hundred Thousand Dollars ($500,000.00) for each Owner’s Individual Air Space Unit per occurrence for bodily injury or property damage, and if higher limits shall at any time be customary to protect against tort liability such higher limits shall be carried. In addition, to the insurance required by this Section, an Owner in its sole discretion may obtain such other and additional insurance coverage on and in relation to the Owner’s Unit. However, any additional insurance obtained by Owner shall not adversely affect, diminish or terminate any insurance carried by the Association, nor shall Owner’s additional insurance result in apportionment of any insurance proceeds as between policies of insurance of the Association and the Owner. An Owner shall be liable to the Association for the amount of any such diminution of insurance proceeds to the Association as a result of insurance coverage maintained by the Owner, and the Association shall be entitled to collect the amount of the diminution from the Owner as if the amount were a default Assessment, with the understanding that the Association may impose and foreclose a lien for the payment due. Any additional insurance policies obtained by an Owner shall be endorsed with a waiver of subrogation clause whereby the insurance provider’s right of subrogation is waived with respect to the Association and other Owners. Each Owner shall maintain “all risk” property insurance on any improvements made to the Unit made by Owner and not initially made by Declarant, including, but not limited to, the value of structural upgrades or fixtures supplied by the Owner, or if the applicable insurance is to be provided by the Association, for any additional insurance costs associated with such increased value for the improvements.
The Executive Board may require an Owner who purchases additional insurance coverage for the Owner’s Unit (other than coverage for the Owner’s personal property) to file copies of such policies with the Association within thirty (30) days after purchase of the coverage to eliminate potential conflicts with any master policy carried by the Association.

ARTICLE 11
CONVEYANCES AND TAXATION OF CONDOMINIUM UNITS

Section 11.1 Contracts to Convey Entered into Prior to Recording of Condominium Map and Declaration. A contract or other agreement for the sale of a Unit entered into prior to the filing for record of the Condominium Map and this Declaration in the Office of the Clerk and Recorder of Pitkin County, Colorado, may legally describe such Unit in substantially the manner set forth in Section 11.2 below and may indicate that the Condominium Map and this Declaration are to be recorded.

Section 11.2 Contracts to Convey and Conveyances Subsequent to Recording of Condominium Map and Declaration. Subsequent to the recording of the Condominium Map and this Declaration, contracts to convey, instruments of conveyance of Units and every other instrument affecting title to a Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required under the Act or by the circumstances or appropriate to conform to the requirements of any governmental authority or any usage or requirement of law with respect thereto:

Condominium Unit ____, Wille Residences, according to the Declaration of Condominium for Wille Residences, recorded __________, 2001, under Reception No. ______ and the Condominium Map for Wille Residences recorded __________, 2001, in Plat Book ______ at Page _____ under Reception No. _____ in the Office of the Clerk and Recorder of Pitkin County, Colorado.

Section 11.3 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Mortgage, or other instrument affecting title to a Unit which legally describes the Unit substantially in the manner set forth in Section 11.2 above shall be construed to describe the Individual Air Space Unit, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it (unless any such fixtures or improvements shall be Common Elements), and to incorporate all the rights incident to ownership of a Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way and other provisions contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 11.4 Separate Tax Assessments. Upon the recording of this Declaration and the filing of the Map for record in the Office of the Clerk and Recorder of Pitkin County, Colorado, Declarant shall deliver a recorded copy of this Declaration and the Map to the Assessor of Pitkin County, Colorado, as provided by law, which notice shall set forth the descriptions of the Units, including the interest in the Common Elements appurtenant to the Unit, so that thereafter all taxes, assessments and other charges by any governmental or political subdivision or any special improvement district or any other taxing agent or assessing authority shall be assessed against
and collected on each Unit, each of which shall be carried on the tax records as a separate and distinct parcel for that purpose. For the purpose of such assessment against the Units, valuation of the Common Elements including, without limitation, any parking space units owned by the Association as Common Elements, shall be apportioned among the Units in proportion to the Allocated Interest in the Common Elements appurtenant to such Units. Valuation of Limited Common Elements shall be apportioned among those Units having the beneficial use of such Limited Common Elements. Accordingly, the Common Elements shall not be assessed separately but shall be assessed with the Units as provided pursuant to Colorado Revised Statutes Subsection 38-33.3-105(2).

The lien for taxes assessed to the Owner or Owners of a Unit shall be confined to his Individual Air Space Unit and to his appurtenant undivided interest in the Common Elements. No forfeiture or sale of any Unit for delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Unit.

ARTICLE 12
MECHANICS’ LIENS

Section 12.1 Mechanics’ Liens. Subsequent to the filing of the Map and recording of this Declaration, no labor performed or materials furnished for use and incorporated in any Unit with the consent of or at the request of the Owner of the Unit or the Owner’s agent, contractor or subcontractor shall be the basis for the filing of a lien against a Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Individual Air Space Unit of the Owner for whom such labor shall have been performed or such materials shall have been furnished. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanic’s lien for labor performed or for materials furnished in work on such Owner’s Unit against the Unit of another Owner or against the Common Elements, or any part thereof.

Section 12.2 Enforcement by the Association. At its own initiative or upon the written request of any Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of Section 12.1 above by collecting from the Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanic’s lien, including all costs and reasonable attorneys’ fees incidental to the lien, and obtain a release of such lien. In the event that the Owner of the Unit on which the labor was performed or materials furnished refuses or fails to so indemnify within seven (7) days after the Association shall have given notice to such Owner of the total amount of the claim, or any portions thereof from time to time, then the failure to so indemnify shall be a default by such Owner under the provisions of this Section 12.2, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit, and enforceable by the Association in accordance with Article 8 above.
ARTICLE 13
USE RESTRICTIONS

Section 13.1 Use of Units. All Units shall be used for dwelling and lodging purposes only, in conformity with the PUD Plan and all zoning laws, ordinances and regulations. Owners of Units may rent or lease such Units to others, on a long term or short term basis, for these purposes and may use the Units for home occupations which are permitted by applicable zoning codes provided use for home occupations is occasional and does not result in additional vehicular or pedestrian traffic. Notwithstanding the foregoing, Units may be used by Declarant as a sales office, management office, rental management office, storage facility and/or such other uses as may be permitted under the Act.

Section 13.2 Conveyance of Units. All Units, whether or not the instrument of conveyance or assignment shall refer to this Declaration, shall be subject to the covenants, conditions, restrictions, easements, reservations, rights-of-way and other provisions contained in this Declaration, as the same may be amended from time to time.

Section 13.3 Use of Common Elements. There shall be no obstruction of, nor shall anything be kept or stored by any Owner or other party on any part of the Common Elements without the prior written approval of the Executive Board. Nothing shall be altered on, constructed in or removed by any Owner or other party from the Common Elements without the prior written approval of the Executive Board.

Section 13.4 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or, taking into account that the Project is a mixed-use project and the particular use involved, in an increase in the rate of the insurance on all or any part of the Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit or other imposed requirement of any governmental body having jurisdiction over the Property. No damage to or waste of the Common Elements shall be committed by any Owner, or by any member of the Owner’s family, or by any guest, lessee, invitee or contract purchaser of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by the grossly negligent, reckless or intentional act or omission of such Owner, the members of the Owner’s family, or the Owner’s guests, lessees, invitees or contract purchasers. To the extent that the loss resulting from any damage or waste is due to the negligent act or omission of an Owner, any member of an Owner’s family, or an Owner’s guests, invitees or tenants, then such Owner shall be liable to the Association for the amount of any applicable insurance deductible(s) and for any amounts in excess of insurance proceeds; provided, however, if such damage or waste is not covered by insurance the Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste. Failure to so indemnify shall be a default by such Owner under this Section, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit. At its own initiative or upon the written request of any Owner (and if
the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment as provided in Article 8 above.

ARTICLE 14
EASEMENTS

Section 14.1 Easement of Enjoyment. Every Owner shall have a nonexclusive easement for the use and enjoyment of the Common Elements, which easement shall be appurtenant to and shall pass with the title to every Unit, subject to the easements set forth in this Article 14.

Section 14.2 Delegation of Use. Any Owner may delegate, in accordance with the Association Documents, the Owner's right of enjoyment in the Common Elements to the Owner's tenants, employees, family, guests, customers, employees and invitees. The Executive Board may adopt rules and regulations limiting the number of guests and invitees (who are not occupying a Unit with the Owner thereof) that may use the Common Elements at the invitation of an Owner at any one time. The Executive Board may also establish reasonable rules and regulations governing occupancy limits in Units.

Section 14.3 Recorded Easements. The Property shall be subject to any easements as shown on any recorded plat affecting the Property including the Final Plat and the Village Core Plat, as contained in the Master Declaration and as shown on the recorded Condominium Map. The recording data for recorded easements, licenses and other title matters appurtenant to or included in the Property or to which any parts of the Property may become subject is set forth on the attached Exhibit C.

Section 14.4 Easements for Encroachments. The Project, and all portions of it, are subject to easements hereby created for encroachments between Units and the Common Elements as follows:

14.4.1 In favor of the Association so that it shall have no legal liability when any part of the Common Elements encroaches upon an Individual Air Space Unit;

14.4.2 In favor of each Owner of each Unit so that the Owner shall have no legal liability when any part of his Individual Air Space Unit encroaches upon the Common Elements or upon another Individual Air Space Unit; and

14.4.3 In favor of all Owners, the Association and the Owner of any encroaching Individual Air Space Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Building or any Unit constructed on the Property, by error in the Map, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project. Such encroachments shall not be considered to be encumbrances upon any part of the Project. Encroachments may also include those created by remodeling or reconstruction provided such work is performed in accordance with plans approved by the Executive Board.
Section 14.5 Utility Easements. There is hereby created for use by third parties providing services to the Project a general easement upon, across, over, in and under all of the Property for ingress and egress and for installation, replacement, repair and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity and cable or other communication systems. By virtue of this easement, it shall be expressly permissible and proper for the companies providing electrical, telephone and other communication services to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications and telephone wires, circuits and conduits under the Property, all in order to serve the Property. Any utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of the Owners, the Association and Declarant; shall prosecute its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by the general easement request a specific easement by separate recordable document, Declarant or the Executive Board shall have, and are hereby given, the right and authority to grant such easement upon, across, over or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section shall in no way affect, avoid, extinguish or modify any other recorded easement on the Property. The easements provided herein shall be subject to such limitations as may be imposed by the Executive Board with regard to, among other things, location and placement of lines and equipment, conditions and hours of work and temporary storage of materials and equipment. No person or entity shall install any equipment, lines or fixtures to the exterior of any of the Buildings that are subject to this Declaration whether on railings, balconies, exterior walls or roof, without the express written consent of the Declarant during the Declarant Control Period or, thereafter, the Executive Board.

Section 14.6 Reservation of Easements, Exceptions and Exclusions. Declarant reserves for itself and its successors and assigns and hereby grants to the Association the concurrent right to establish from time to time by declaration or otherwise, utility and other easements within the Common Elements for purposes including but not limited to streets, paths, walkways, drainage, recreation areas, parking areas, ducts, shafts, flues, and conduit installation areas, consistent with the condominium ownership of the Project for the best interest of the Owners and the Association.

Section 14.7 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance and all other similar emergency agencies or persons to enter upon all streets and upon the Property in the proper performance of their duties.

Section 14.8 Maintenance Easement. An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in, under and through the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.9 Drainage Easement. An easement is hereby reserved to Declarant and its successors and assigns and granted to the Association and its officers, agents, employees, successors and assigns to enter upon, across, over, in and under any portion of the Project for the
purpose of changing, correcting or otherwise modifying the grade or drainage channels of the
Property so as to improve the drainage of water on the Property.

Section 14.10 Easements of Access for Repair, Maintenance, and Emergencies. Some of
the Common Elements are or may be located within the Individual Air Space Units or may be
conveniently accessible only through the Individual Air Space Units. The Owners of other
Individual Air Space Units and the Association shall have the irrevocable right, to be exercised
by the Association as the Owners’ agent, to have access to each Individual Air Space Unit and to
all Common Elements from time to time during such reasonable hours as may be necessary for
the maintenance, repair, removal or replacement of any of the Common Elements therein or
accessible therefrom or for making emergency repairs therein necessary to prevent damage to the
Common Elements or to any Individual Air Space Unit. In addition, an easement is hereby
created for such Common Elements as they currently exist within the Individual Air Space Units.
Subject to the provisions of Section 7.3 above, damage to the interior of any part of an Individual
Air Space Unit resulting from the maintenance, repair, emergency repair, removal or
replacement of any of the Common Elements or as a result of emergency repair within another
Individual Air Space Unit at the instance of the Association or of Owners shall be a Common
Expense.

Section 14.11 Declarant’s Rights Incident to Construction and Marketing. Declarant, for
itself and its successors and assigns, hereby retains a right and easement of ingress and egress
over, in, upon, under, across and through the Property and the right to store materials on the
Property and to make such other use of the Property as may be reasonably necessary or incident
to the complete construction and sale of the Project, including, but not limited to materials,
equipment, machinery, construction trailers, temporary construction offices, sales offices and
directional and marketing signs; provided, however, that no such rights shall be exercised by
Declarant in such a way as to unreasonably interfere with the occupancy, use, enjoyment or
access by any Owner, or family members, guests, customers, employees, or invitees of an
Owner. Declarant, for itself and its successors and assigns, hereby retains a right to maintain any
Unit or Units as sales offices, management offices or model residences so long as Declarant, or
any Successor Declarant, continues to be an Owner or lessee of such Unit. The use by Declarant of
any Unit as a model residence, office or other use shall not affect the Unit’s designation on the
Map as a separate Unit.

Section 14.12 Right of Declarant and Association to Own Units and to Use Common
Elements. An easement is hereby reserved by Declarant for itself and its successors and assigns
and granted to the Association and its officers, agents, employees, successors and assigns to
maintain offices, storage areas, conference areas and recreational areas for use by the
Association within the General Common Elements subject to all rules and regulations established
under this Declaration and the Master Association Documents. The Association shall also have
the right (but not the obligation) to purchase and own any Unit for the purpose of maintaining an
office for the Association or for any other use that the Association determines is consistent with
the operation of the Project. The costs and carrying charges incurred by the Association in
purchasing and owning any such Unit shall be Common Expenses.

Section 14.13 Remodeling Easement. Declarant, for itself and its successors and
assigns, including Owners, retains a right and easement in and about the Building for the
construction and installation of any duct work, additional plumbing or other additional services or utilities in the Common Elements in connection with the improvement or alteration of any Unit, including the right of access to such areas of the Common Elements as is reasonably necessary to accomplish such improvements. In the event of a dispute among Owners with respect to the scope of the easement reserved in this Section, the decision of the Executive Board shall be final.

Section 14.14 Reservation for Expansion. Declarant hereby reserves to itself and the Association in all future phases of the Project an easement and right-of-way over, upon and across the Property for construction, utilities, drainage, and ingress to and egress from other properties abutting and contiguous to the Property, and for use of the Common Elements as may be reasonably necessary or incident to the construction of improvements on the Units or other improvements on the Property or other property owned or controlled by Declarant; provided, however, that no such rights shall be exercised by Declarant in a way which unreasonably interferes with the occupancy, use, enjoyment, or access to the Project by the Owners. The location of these easements and rights-of-way may be made certain by Declarant or the Association by instruments recorded in the Office of the Clerk and Recorder of Pitkin County, Colorado.

Section 14.15 Easement for Master Common Areas. Declarant reserves for itself and its successors and assigns and hereby grants to the Association the concurrent right to establish from time to time by declaration or otherwise, and/or to convey by license, easement or otherwise to the Master Association or the District, or both, an interest in any Unit, portion of the Property and the Common Elements in order that such Unit, portion of the Property or the Common Elements shall be deemed a Common Area of the Master Association subject to the maintenance and control of the Master Association pursuant to the Master Declaration or shall be deemed subject to the control of the District in accordance with the terms of any instrument creating such interest, in accordance with its governing documents and in accordance with applicable law.

Section 14.16 Easements Deemed Created. All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

ARTICLE 15
ASSOCIATION AS ATTORNEY-IN-FACT

Section 15.1 Appointment. Each and every Owner hereby irrevocably constitutes and appoints the Association as such Owner's true and lawful attorney-in-fact in such Owner's name, place and stead for the purpose of dealing with the Project upon its damage, destruction, condemnation or obsolescence as provided below in Articles 16, 17 and 18. In addition, the Association, or any insurance trustee or substitute insurance trustee designated by the Association or if the power it appoint an insurance trustee has been delegated to the Managing Agent, the Managing Agent, is appointed as attorney-in-fact under this Declaration for the purpose of purchasing and maintaining insurance under Article 10 above, including: (a) the collection and appropriate disposition of the proceeds of such insurance; (b) the negotiation of losses and the execution of releases of liability; (c) the execution of all documents; and (d) the
performance of all other acts necessary to accomplish such purpose. The Association, or any insurance trustee, shall hold or otherwise properly dispose of any insurance proceeds in trust for the Owners and their Mortgagees, as their interests may appear. Acceptance by any grantee of a deed or other instrument of conveyance from Declarant or from any Owner shall constitute appointment of the attorneys-in-fact as provided above. Notwithstanding any other provision of this Declaration to the contrary, the Association may exercise its authority as attorney-in-fact for any purpose permitted pursuant to this Declaration only if, in each and every instance where such exercise is so permitted, the Executive Board approves the exercise of such authority by the affirmative vote of a majority of the voting Directors. If the Executive Board fails to so approve any exercise of authority as attorney-in-fact, the Association shall have such authority as it may have pursuant to the Act. Each Owner’s appointment of the Association as attorney-in-fact as provided in this Section is a power coupled with an interest, and no further document or instrument is necessary to evidence the Association’s appointment.

Section 15.2 General Authority. As attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, assignment, deed, waiver or other instrument with respect to the interest of any Owner which may be necessary or appropriate to exercise the powers granted to the Association as attorney-in-fact.

ARTICLE 16
DAMAGE OR DESTRUCTION

Section 16.1 The Role of the Executive Board. In the event of damage to or destruction of all or part of the Common Elements, or other property covered by insurance written in the name of the Association under Article 10, the Executive Board shall arrange for and supervise the prompt repair and restoration of the damaged areas of the Project, including, without limitation, the floor coverings, fixtures and appliances initially installed therein by Declarant, and replacements thereof installed by the Owners up to the value of those initially installed by Declarant, but not including any furniture, furnishings, fixtures, equipment or other personal property supplied or installed by the Owners in the Units unless covered by insurance obtained by the Association. Notwithstanding the foregoing, each Owner shall have the right to supervise the redecorating of his or her Unit. To the extent that the damage or destruction is due to the act or omission of an Owner, any member of an Owner’s family, or an Owner’s guests, invitees or tenants, then such Owner shall be liable to the Association in accordance with Section 7.3 above.

Section 16.2 Estimate of Damages or Destruction. As soon as practical after an event causing damage to or destruction of any part of the Project, the Association shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction of that part of the Project damaged or destroyed. “Repair and reconstruction” as used in this Article 16 shall mean restoring the damaged or destroyed part of the Project to substantially the same condition in which it existed prior to the damage or destruction, with each Individual Air Space Unit and the Common Elements having substantially the same vertical and horizontal boundaries as before.

Section 16.3 Repair and Reconstruction. As soon as practical after obtaining estimates, the Association shall diligently pursue to completion the repair and reconstruction of the part of the Project damaged or destroyed. As attorney-in-fact for the Owners, the Association may,
subject to requirements for the approval of special Assessments provided by law and this
Declaration, take any and all necessary or appropriate action to effect repair and reconstruction,
and no consent or other action by any Owner shall be necessary in connection with that action.

Section 16.4 Funds for Repair and Reconstruction. The proceeds received by the
Association from any casualty or hazard insurance shall be used for the purpose of repair,
replacement and reconstruction.

Section 16.5 Insurance Proceeds Sufficient to Repair. In the event of damage or
destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the
improvements, shall be applied by the Association as attorney-in-fact to such reconstruction, and
the improvements shall be promptly repaired and reconstructed. The Association shall have full
authority, right and power as attorney-in-fact to cause the repair and restoration of the
improvements. Assessments for Common Expenses shall not be abated during the period of
insurance adjustments and repair and reconstruction.

Section 16.6 Insurance Proceeds Insufficient to Repair; Special Assessment; Remedies
for Failure to Pay Special Assessment. If the insurance proceeds are insufficient to repair and
reconstruct the improvements, such damage or destruction shall be promptly repaired and
reconstructed by the Association as attorney-in-fact, using the proceeds of insurance and the
proceeds of a special Assessment to be made against all of the Owners and their Units. Any such
special Assessment shall be a Common Expense in accordance with Section 8.6 above and shall
be due and payable within thirty (30) days after written notice as provided in Article 8 above.
The Association shall have full authority, right and power as attorney-in-fact to cause the repair,
replacement or restoration of the improvements using all of the insurance proceeds for such
purpose, notwithstanding the failure of an Owner to pay the special Assessment.

Any Assessment provided for in this Section shall be a debt of each Owner and a lien on
the Owner’s Unit and may be enforced and collected as provided in Article 8 above. In addition,
the Association as attorney-in-fact shall have the absolute right and power to sell the Unit of any
Owner refusing or failing to pay such special Assessment within the time provided, and if not so
paid, the Association shall cause to be recorded a notice that the Unit of the delinquent Owner
shall be sold by the Association as attorney-in-fact pursuant to the provisions of this Section.
The delinquent Owner shall be required to pay to the Association the costs and expenses for
filing the notice, interest at the Maximum Rate on the amount of the special Assessment and all
reasonable attorneys’ fees. The proceeds derived from the sale of such Unit shall be used and
disbursed by the Association as attorney-in-fact in the following order:

16.6.1 For payment of real property ad valorem taxes, special assessment liens
duly imposed by a governmental subdivision and customary expenses of sale;

16.6.2 For payment of the balance of the lien of any First Mortgage affecting the
Unit subject to any priority lien granted to the Association by law;

16.6.3 For payment of unpaid Master Association Assessments, interest, costs,
late charges, expenses and attorneys’ (and legal assistants’) fees;
16.6.4 For payment of unpaid Association Assessments, interest, costs, late charges, expenses and attorneys’ (and legal assistants’) fees;

16.6.5 For payment of junior Mortgages affecting the Unit in the order of and to the extent of their priority; and

16.6.6 For payment of the balance remaining, if any, to the Owner of the Unit.

Section 16.7 Repairs. All repairs and reconstruction contemplated by this Article 16 shall be performed substantially in accordance with this Declaration, the Map and the original plans and specifications for the Project, unless other action is approved by the Association in accordance with the requirements of this Declaration and the other Association Documents.

Section 16.8 Notice of Damage or Destruction. In the event that any portion of the Project encompassing more than one Individual Air Space Unit is substantially damaged or destroyed by fire or other casualty, then written notice of the damage or destruction shall be given by the Association to each Owner and First Mortgagee of the affected Units within a reasonable time following the event of casualty damage.

ARTICLE 17
OBSOLESCENCE

Section 17.1 Adoption of Plan; Rights of Owners. The Owners representing sixty-seven percent (67%) or more of the total number of votes entitled to be cast on Association matters may agree that the Project is obsolete and adopt a written plan for the renewal and reconstruction thereof. Written notice of the adoption of such a plan shall be given to all Owners and a copy of such plan shall be recorded in the Office of the Clerk and Recorder of Pitkin County, Colorado, and the expense of renewal and reconstruction shall be payable by all of the Owners as a Common Expense.

Section 17.2 Sale of Obsolete Units. The Owners representing sixty-seven percent (67%) or more of the total number of votes entitled to be cast on Association matters may agree that the Units are obsolete and that the Project should be sold. In such instance, the Association shall immediately record in the Office of the Clerk and Recorder of Pitkin County, Colorado, a notice setting forth such fact or facts, and upon the recording of such notice by the Association, the Project shall be sold by the Association, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Condominium Map and the articles of incorporation and bylaws of the Association. Unless otherwise agreed in writing by all the Owners, the sale proceeds (and any insurance proceeds under Article 16 above) shall be apportioned among the Owners in proportion to each Owner’s Allocated Interest in the Common Elements, and such apportioned proceeds shall be paid into separate accounts, each such account representing one Unit, as the case may be. Each such account shall be in the name of the Association, and shall be further identified by the Unit designation and the name of the Owner and designated as an agency account. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount of such accounts, without contribution from one account to another, for the same purposes and in the same order as is provided in Sections 16.6.1 through 16.6.5 above.
ARTICLE 18
CONDEMNATION

Section 18.1 Consequences of Condemnation. If, at any time or times during the continuance of the Project pursuant to this Declaration, all or any part of the Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu or in avoidance of condemnation, then all compensation, damages or other proceeds of condemnation, the sum of which is referred to as the “condemnation award” below, shall be payable to the Association, and the provisions of this Article 18 shall apply.

Section 18.2 Complete Taking. In the event that the entire Project is taken or condemned or sold or otherwise disposed of in lieu or in avoidance of condemnation, the condominium ownership pursuant to this Declaration shall terminate, subject to the provisions of Section 18.7 below. The condemnation award shall be paid to the Association for the use and benefit of the Owners and the Mortgagees as their interests may appear. Such award shall be apportioned among the Owners and the Mortgagees on the basis of the Allocated Interest in the Common Elements appurtenant to the Unit in which such Owners and Mortgagees have an interest; provided, however, that if a standard different from the value of the Project as a whole is employed to measure the condemnation award in the negotiation, judicial decree or otherwise, then in determining such apportionment the same standard shall be employed. The Association shall, as soon as practical, determine the share of the condemnation award to which each Owner and Mortgagee is entitled, and such shares shall be paid into separate accounts and disbursed as soon as practical for the same purposes and in the same order as is provided in Sections 16.6.1 through 16.6.5 above.

Section 18.3 Partial Taking. In the event that less than the entire Project is taken or condemned or sold or otherwise disposed of in lieu or in avoidance of condemnation, the condominium ownership under this Declaration shall not terminate. Each Owner of a Unit so taken or condemned (and Mortgagee holding an interest in such Owner’s Unit) shall be entitled to a share of the condemnation award to be determined under the following provisions. The condemnation award shall be paid to the Association for the use and benefit of the Owners and the Mortgagees as their interests may appear. As soon as practical, the Association shall reasonably and in good faith allocate the condemnation award between compensation, damages or other proceeds, and shall apportion the amounts so allocated among the Owners, unless otherwise required under the Act, as follows:

18.3.1 The total amount allocated to a taking of or injury to the Common Elements shall be apportioned among Owners and their Mortgagees on the basis of each Owner’s undivided interest in the General Common Elements;

18.3.2 The total amount allocated to severance damages shall be apportioned to the Owners and Mortgagees of those Units which were not taken or condemned;

18.3.3 The respective amounts allocated to the taking of or injury to a particular Unit or to improvements an Owner has made within the Owner’s own Unit shall be apportioned to the Owner and Mortgagees of that particular Unit involved; and
18.3.4 The total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable under the circumstances.

If an allocation of the condemnation award is already established in negotiation, judicial decree or otherwise, then in allocating the condemnation award, the Association shall employ such allocation. Distribution of apportioned proceeds shall be made by checks payable jointly to the respective Owners and their respective Mortgagees.

Section 18.4 Reorganization. In the event a partial taking results in the taking of an Individual Air Space Unit, the Owners thereof shall automatically cease to be members of the Association, and their ownership interests in the Common Elements shall terminate and vest in the Owners of the remaining Units. Thereafter, subject to the provisions of Section 18.7 below, the Association shall reallocate the ownership, voting rights and Assessment ratios determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception and shall submit such reallocation to the Owners of the remaining Individual Air Space Units for the amendment of this Declaration. Such reallocation shall be approved unless the Owners of 67% of the Allocated Interests vote to disapprove such reallocation.

Section 18.5 Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the procedures contained in Article 16 above.

Section 18.6 Notice of Condemnation. In the event that any portion of the Project shall be made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then timely written notice of such condemnation shall be given by the Association to each Owner and First Mortgagee.

Section 18.7 Limitations on Actions of Association. Except as provided by statute, in case of condemnation, unless Owners representing sixty-seven percent (67%) or more of the total number of votes entitled to be cast on Association matters reject such actions, the Association may not take any of the actions specified in Sections 18.1 through 18.6 above.

ARTICLE 19
OTHER ASSOCIATION MATTERS

Section 19.1 Master Association Matters. Each Owner, by accepting a deed to a Unit, recognizes that (a) the Project and all of the Units are subject to the Master Association Documents, (b) by virtue of his or her ownership of a Unit, he or she has become a member of the Master Association, (c) such Owner is subject to any rules and regulations of the Master Association, and (d) pursuant to the Master Association Documents, an Owner is a member of a specified category of the Master Association and is entitled to all of the benefits and subject to all of the burdens of such membership. Each Owner, by accepting a deed to a Unit, acknowledges that he or she has received a copy of the Master Declaration and the articles of incorporation, bylaws and rules and regulations of the Master Association. Each Owner agrees to perform all of his or her obligations as a member of the Master Association as they may from time to time exist, including, but not limited to, the obligation to pay annual, special, and default assessments as required under the Master Association Documents.
Section 19.2 Enforcement of Master Association Documents.

19.2.1 The Association shall have the power, subject to the primary power of the executive board of the Master Association, to enforce the covenants and restrictions contained in the Master Association Documents, but only as said covenants and restrictions relate to the Project, and to collect regular, special and default assessments on behalf of the Master Association.

19.2.2 This Declaration is intended to supplement the Master Association Documents as they apply to the Property. In addition to all of the obligations which are conferred or imposed upon the Association pursuant to this Declaration and the bylaws or articles of incorporation of the Association, the Association shall be subject to all of the obligations imposed upon it pursuant to the Master Association Documents. The Association and all committees thereof shall also be subject to all superior rights and powers that have been conferred upon the Master Association pursuant to the Master Association Documents. The Association shall take no action in derogation of the rights of, or contrary to the interests of, the Master Association.

Section 19.3 Aspen Highlands Village Parking and Loading Dock Facility Association. The Owners acknowledge that, upon conveyance of parking space condominium units therein to the Association, the Association shall be a member of the Parking Association and that the Owners shall have rights in the Parking Association as described in Section 5.3 of this Declaration.

Section 19.4 Architectural Control.

19.4.1 No addition, change or alteration to the Common Elements, and no exterior or structural addition, change or alteration to any Unit or Limited Common Element (including the construction of any additional skylight, window, awning or door or the installation or attachment of any equipment or fixture to the exterior of any of the Buildings) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing as to external design, color and location in relation to surrounding structures and topography by the Executive Board.

19.4.2 Interior, non-structural changes or alteration of Units that are not visible or discernable from the exterior of a Unit may be undertaken solely by the Owner thereof.

19.4.3 The alterations and changes described in this Section shall also be in compliance with and have received all approvals required by the Master Declaration and any applicable zoning and other laws, rules and regulations, including the rules and regulations promulgated by the Association.

Section 19.5 General Reservation. Subject to any applicable restrictions under the Act. Declarant reserves the right to dedicate any access roads and streets serving the Property for and to public use and to allow such street or road to be used by owners of adjacent land.

Section 19.6 No Use of Trademark. The terms “Aspen Highlands Village” and “Aspen Highlands” are service marks of Hines Highlands Limited Partnership, a Delaware limited
partnership. Each Owner, by accepting a deed to a Unit, covenants and agrees that such Owner shall not use the marks "Aspen Highlands Village" or "Aspen Highlands" or designs or logos related to such marks without the prior written permission of Hines Highlands Limited Partnership.

Section 19.7 Limit on Timesharing. No Unit shall be used for the operation of a timesharing, fraction-sharing, interval ownership, private residence club, membership program, vacation club, exchange network or system or similar program whereby the right to exclusive use of the Unit is alternated or scheduled among participants in the program on a fixed or floating time schedule over a period of years whether by written, recorded agreement or otherwise.

Section 19.8 Acknowledgements. Each Owner is hereby advised of the following matters affecting the Project and Aspen Highlands Village and the Owners’ use and enjoyment thereof:

19.8.1 The Project is benefited by the fact that it is located near or adjacent to the Aspen Highlands Ski Area (the “Ski Area”). The Ski Area represents a unique and desirable amenity that includes many year-round activities; as such, the Ski Area may generate an unpredictable amount of visible, audible and odorous impacts and disturbances from activities relating to the construction, operation, use and maintenance thereof. The activities associated with the Ski Area include, without limitation: (i) vehicular and non-vehicular traffic, including, without limitation, (a) buses, vans, snowcats, snowmobiles and other vehicles which transport residents and guests of Aspen Highlands Village over, around and through the Ski Area and Aspen Highlands Village, and (b) construction vehicles and equipment; (ii) activities relating to the construction, operation and maintenance of ski trails, skiways and skier bridges and tunnels relating to the Ski Area, including, without limitation, (a) construction, operation and maintenance of Ski Area access roads, snow-making equipment and chair lifts, gondolas and other skier transportation systems, and (b) operation of snow-grooming vehicles and equipment and safety and supervision vehicles; and (iii) activities relating to the use of the Ski Area, including, without limitation, skiing, snowboarding, hiking, horseback riding, bicycling and other recreational activities.

19.8.2 Roads within Aspen Highlands Village are or may be subject to restricted or gated access limitations, and are or may be subject to rules and regulations of the District, which owns and is responsible for maintaining the roads.

19.8.3 Substantial construction-related activities relating to the development of the Project or other development within or near Aspen Highlands Village may cause considerable noise, dust and other inconveniences to the Owners.

19.8.4 Properties located within Aspen Highlands Village may be developed pursuant to the land uses and restrictions set forth in the PUD Plan with no representation being made herein concerning the planned uses of such other properties. The zoning for Aspen Highlands Village is established and governed by the PUD Plan. Any amendment of the PUD Plan requires approval by the City of Aspen. Each Owner acknowledges and agrees that such Owner has not relied upon any statements or representation regarding Aspen Highlands Village or any other properties except for the statements and representations expressly set forth in this
Declaration and the PUD Plan. Each Owner further acknowledges and agrees that such Owner will not take any action to impair or delay any development of real property governed by the PUD Plan so long as such development complies with the PUD Plan.

19.8.5 No interest in or right to use any amenity located near the Project, such as swimming pools, spas, golf facilities, ski facilities or the like, shall be conveyed to any Owner pursuant to this Declaration. The owners of any facilities that are not part of the Project shall have the right, in their sole discretion, to remove, relocate, discontinue operation of, restrict access to, charge fees for the use of, sell interests in or otherwise deal with such assets in their sole discretion without regard to any prior use of or benefit to any Owners.

19.8.6 Declarant is not the operator of the Ski Area, and accordingly Declarant cannot make any representations relating thereto. Neither Declarant nor any of its employees or agents have made any representations regarding the opening or closing dates of the Ski Area in any given year. The operator of the Ski Area may decide, in its sole discretion, whether and when any or all of the chairlifts (including those that serve Aspen Highlands Village) within the Ski Area should be operated.

19.8.7 Ownership of real property in mountain areas involves certain inherent inconveniences. These include, but are not limited to, (a) dripping water onto decks and porches from snow melt, (b) snow and ice build-up on decks, roofs, gutters and porches during winter months, (c) the need to open windows to cool a Unit during certain summer periods, in that due to the temperate summer climate air conditioning may not be provided in the Building, and (d) other inconveniences arising from the variable weather conditions in the Rocky Mountains.

19.8.8 Use of wood burning fireplaces, stoves and other devices is restricted within Aspen Highlands Village by governmental regulation.

19.8.9 THE UNITS ARE SUBJECT TO CERTAIN LIMITS ON ALIENABILITY AND USE AS AN AFFORDABLE HOUSING SALE UNIT, RENTAL UNIT OR DORMITORY UNIT PURSUANT TO THE PUD PLAN AND APPLICABLE LAW, AND AS CONTAINED IN CERTAIN DOCUMENT(S) TO BE RECORDED IN THE OFFICE OF THE CLERK AND RECORDER OF PITKIN COUNTY, COLORADO. THE UNITS MAY BE RESTRICTED IN ONE OR MORE MANNERS, INCLUDING, WITHOUT LIMITATION, THE FOLLOWING: (A) THE SALES PRICES OF SUCH UNITS, WHETHER APPLICABLE TO THE INITIAL SALE FROM DECLARANT OR ANY SUBSEQUENT SALE, MAY BE RESTRICTED TO AN AMOUNT WHICH IS LESS THAN THEIR FAIR MARKET VALUE, (B) THE AMOUNTS OF RENT CHARGEABLE FOR THE LEASING OF THE UNITS MAY BE RESTRICTED TO AMOUNTS THAT MAY BE LESS THAN THEIR FAIR RENTAL VALUE, (C) PURCHASERS OR TENANTS OF UNITS MAY BE REQUIRED TO MEET CERTAIN RESIDENCY AND/OR CRITERIA REGARDING INCOME AND/OR OTHER ASSETS, AND (D) THE UNITS MAY BE RESTRICTED IN OCCUPANCY AS PRIMARY RESIDENCES BY OWNERS OR THEIR TENANTS WHO SATISFY CERTAIN REQUIREMENTS. OWNERS ARE ADVISED TO REVIEW THE PUD PLAN AND APPLICABLE LAW FOR SPECIFIC AND DETAILED INFORMATION REGARDING ANY SUCH LIMITATIONS IMPOSED UPON THE UNITS.
ARTICLE 20
DECLARANT'S RIGHTS REGARDING TRANSFER

Any right or any interest reserved or contained in this Declaration for the benefit of Declarant may be transferred or assigned by Declarant, either separately or with one or more other such rights or interests, to any person, corporation, partnership, association or other entity, by written instrument executed by both Declarant and the transferee or assignee and recorded in the Office of the Clerk and Recorder of Pitkin County, Colorado. Upon such recording, Declarant's rights and obligations under this Declaration shall cease and terminate to the extent provided in such instrument.

ARTICLE 21
ENFORCEMENT; ALTERNATIVE DISPUTE RESOLUTION

Section 21.1 Agreement to Avoid Litigation. The Declarant, the Association, its officers, directors and committee members, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Project, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that those claims, grievances or disputes described herein ("Claims") shall be resolved using the procedures set forth below in lieu of filing suit in any court.

Section 21.2 Claims. Unless specifically exempted below, all Claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Association Documents, or the rights, obligations and duties of any Bound Party under the Association Documents or relating to the design or construction of improvements on the Project shall be subject to the provisions of this Section.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of this Section:

21.2.1 Any suit by the Association against any Bound Party to enforce the provisions of Article 8 (Assessments).

21.2.2 Any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association’s ability to enforce the architectural standards and use restrictions and rules;

21.2.3 Any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Association Documents;

21.2.4 Any suit in which any indispensable party is not a Bound Party; and

21.2.5 Any suit as to which any applicable statute of limitations would expire within 180 days of giving the notice required below.
With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth below.

Section 21.3 Mandatory Procedures.

21.3.1 Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

21.3.1.1 The nature of the Claim, including the Persons involved and Respondent’s role in the Claim;

21.3.1.2 The legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

21.3.1.3 Claimant’s proposed remedy; and

21.3.1.4 That Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

21.3.2 Negotiation and Mediation.

21.3.2.1 The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Executive Board may appoint a representative to assist the Parties in resolving the dispute by negotiation.

21.3.2.2 If the Parties do not resolve the Claim within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of a reputable and knowledgeable mediation group providing such services in Pitkin County, Colorado, or, if the Parties otherwise agree, to an independent agency providing dispute resolution services in the Pitkin County, Colorado, area.

21.3.2.3 If Claimant does not submit a claim to mediation within thirty (30) days after Termination of Negotiations, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any person other than the Claimant.

21.3.2.4 Any settlement of the Claim through mediation shall be documented in writing by the mediator. If the Parties do not settle the Claim within thirty (30) days after submission of the matter to the mediation process, or within such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that the mediation was to be mediated.
21.3.2.5 Within five (5) days of the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent and the Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

21.3.3 Final and Binding Arbitration.

21.3.3.1 If the Parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, the Claimant shall have fifteen (15) additional days to submit the Claim to arbitration in accordance with the rules of arbitration as may be required by the agency providing the arbitrator. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons other than Claimant.

21.3.3.2 This subsection is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of Colorado. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Colorado.

21.3.4 Allocation of Costs of Resolving Claims.

21.3.4.1 Subject to Subsection 21.3.4.2, each Party shall bear its own costs, including any attorneys' fees incurred, and each Party shall share equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding ("Post Mediation Costs").

21.3.4.2 Any Award, which is equal to or more favorable to Claimant than Claimant's Settlement Demand, shall add Claimant's Post Mediation costs to the Award, such costs to be borne equally by all Respondents. Any Award, which is less favorable to Claimant than any Respondent's Settlement Offer, shall award to such Respondent its Post Mediation Costs.

21.3.5 Enforcement of Resolution. After resolution of any Claim, if any Party fails to abide by the terms of any agreement or Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in this Section. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award including, without limitation, attorneys' fees and court costs.

Section 21.4 Claim for Damages. Damages alleged or awarded in connection with a Claim shall be limited to actual damages. No punitive, consequential or other damages shall be alleged or awarded.
ARTICLE 22
MISCELLANEOUS

Section 22.1 Restriction on Declarant Powers. Notwithstanding anything to the contrary herein, no rights or powers reserved to Declarant hereunder shall exceed the time limitations or permissible extent of such rights or powers as restricted under the Act. Any provision in this Declaration in conflict with the requirements of the Act shall not be deemed to invalidate such provision as a whole but shall be adjusted as is necessary to comply with the Act. No rights of Declarant under the Association Documents may be abridged without the consent of Declarant.

Section 22.2 Term. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity, subject to the termination provisions of the Act.

Section 22.3 Amendment. The provisions of this Declaration may be amended or terminated, in whole or in part, from time to time, upon the written consent of Owners representing a majority of the total number of votes entitled to be cast on Association matters or by the Owners representing a majority of the total number of votes entitled to be cast on Association matters at a meeting of the Owners called for that purpose; provided, however, matters not requiring Owner approval as described in CRS 38-33.3-217(1) may be handled by the Executive Board; and provided further, however, that any provision of this Declaration requiring a vote of more than a majority of the total voting interest in the Association to be effective may only be amended by a vote of the applicable aggregate voting interest stated in such provision. In addition, (a) a majority of the voting Directors of the Executive Board may make, without the approval of the Owners, changes to the Map or any other Association Documents to the extent necessary to correct a factual error, and (b) any proposed amendment to this Declaration which affects any right of Declarant shall require the prior written approval of Declarant, in addition to the approval requirements otherwise set forth herein.

Section 22.4 Unilateral Amendment Rights Reserved by Declarant. Notwithstanding any provision in this Declaration to the contrary, Declarant, acting alone, reserves to itself the right and power to modify and amend this Declaration and the Map to the fullest extent permitted under the Act including, without limitation, to correct clerical, typographical or technical errors, or to comply with the requirements, standards, or guidelines of recognized secondary mortgage markets, the Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or the Federal National Mortgage Association, or any other governmental authority having jurisdiction over the Project.

Section 22.5 Recording of Amendments. Any amendment to this Declaration must be executed by the President of the Association and recorded in the Office of the Clerk and Recorder of Pitkin County, Colorado, and approval of such amendment may be shown by attaching a certificate of the Secretary of the Association to the recorded instrument certifying the approval of a sufficient number of Owners of the amendment.
Section 22.6 Severability. Invalidation of any of the covenants, restrictions or other provisions contained in this Declaration by judgment or court order shall in no way affect or limit any other provisions which shall remain in full force and effect.
